## CENTRE FOR LOGISTICS AND TRANSPORT STUDIES (CELTRAS)

### ADMISSION INTO THE POST-GRADUATE PROGRAMMES FOR 2015/2016 SESSION

Applications are hereby invited from suitably qualified candidates for admission into the Post Graduate Programmes of the Centre for 2015/2016 session.

**INTRODUCTION:** The Centre for Logistics and Transport Studies (CELTRAS) is designed to train and produce technocrats and professionals in the areas of Logistics and Transport in Nigeria. CELTRAS is therefore poised to provide adequate knowledge and practical skills for understanding and solving logistics and transportation problems in Nigeria as well as generate international support in funding for intellectual exchanges through conferences, seminars and publications. The Centre provides a conducive learning environment with well equipped library and laboratory facilities. Students are also provided educational programmes through research and examinations, and industrial training in logistics and transport. Other opportunities are available such as in-service training for staff of logistics and transport and related institutions. The aim of these post graduate degree programmes is to provide graduates in logistics and transport with broad based training required by the public and private logistics and transport companies in Nigeria.

**ACADEMIC PROGRAMMES:** CELTRAS offers the following academic programmes:

- Post-graduate Diploma (PGD) in Logistics and Transport Management
- M.Sc. Logistics and Transport Management
- Ph.D Logistics and Transport Management (specialization in Logistics or Transport Management)

All the programmes run on a modular system, either as Full-Time or as Part-Time.
