RESUMPTION FOR 2015/2016 ACADEMIC SESSION

On behalf of the University Management, I wish to welcome all New and Returning Students to the 2015/2016 Academic Session.

While commending you for adhering to the resumption date in line with the Academic Calendar, please ensure that you register for the session within the period allowed for the exercise. For the avoidance of doubt, the registration exercise will end on Friday, 12th February, 2016. The Procedure for the registration is on the University website.

Please note that only registered students are bona-fide students of the University. Also, in line with the decision of the Senate of the University, any student who fails to register within the period stipulated for registration will be deregistered for the session, and the maximum length of time allowed for the course of study would still be enforced.
